Trails Report- Brad Moore – Before there is too much snow, we need to drive through California and Slater Parks to replace, set up or repair marker poles, also need to replace some reflectors on marker poles. Saturday, Oct 1, club members cut out 48 fallen trees and cleaned on snowmobile trails C2, C3, C5 and C6. It took the 9 club members 8 hours of volunteer work, equating to 72 charity volunteer hours. Thanks to all who helped..

CSA Report- Jenn Tonso – CSA Snow Show was Oct. 7 – 9 in Denver.

Groomer Report- Joe Tonso

Groomer Workday – possibly this Saturday, Oct. 22, to put fixed groomer tracks back on groomer. Joe Tonso to let club and groomers know if it's a go.

Items discussed: Groomer tools needed have been purchased. There is no asphalt milling available for groomer barn approach.

Discussed comparative prices of Severson Supply and Samuelson for rentals to do groomer barn excavation. Dave Watson will do ground work at Groomer barn, if possible.

Will wait to fill the groomer fuel tank until winter grade fuel is available. The fuel tank will stay where it's at until groundwork is done.

NOWECOS Groomer contract for this season, \$33,304, Next season will be lower.
